

NAVIGATOR EXCHANGE 2008

WHEN: JUNE 3&4, 2008

WHERE: PRARIE DU CHEIN, WI

The annual "Navapalooza", is a chance to exchange products, services, and events that have proven successful among Navigator peers. This year we will have presentations about the State of the DPN and Employment Network National Perspective under TTW, then we have one interactive event and the remaining time "brag & steal" - actual exchange of a products among Navigators.

Interactive Event

This year we will be having an interactive event. We will be working in groups to design and develop a five minute presentation to a designated audience. The topics for the presentations will be:

Transition-Youth, ADA-Consumers, DPN Overview-Partner Agencies, SSA-Consumers, and Disability Etiquette-Any.

I am asking that each Navigator submit two resources (handout's, brochures, informational material, ect,) in each area which you have found helpful in your quest as Navigators. Please forward them to me either by email or mail.

Be prepared to share your knowledge.

(This is separate from the "brag & steal")

Don't forget your hat, sunglasses and jacket.
